

Dear Hiring Manager,

It is with immense pleasure that I am writing this letter of recommendation for Mr. Mitra Boga in support of his application to pursue an internship at your esteemed tech organization.

I am Mrs. K Vani Prasanna, Assistant Professor, School of Technology, GITAM (Deemed to be University). As his faculty, I taught him Applications of AI (CSEN1031). I can most certainly vouch for his Artificial Intelligence proficiency.

Mitra possesses the intellect, logical thinking, creativity, adaptability, communication, attention expertise required to excel both as an individual and in a team role. I appreciate his keen interest in Emerging AI Technologies. He not only shows a great grasp of theoretical knowledge but also applies his acumen through the task-based structure of my course, including Case Studies, AI Tool Projects, and Viva.

During his time as my student, he has consistently demonstrated excellent performance in concepts such as AI Agents and Environments, Game Implementations, Machine Learning, Supervised/Unsupervised Learning, Reinforcement Learning, Neural Networks, Deep Learning, Image Processing, Segmentation and Feature Detection, Speech Analysis, etc.

As an aspiring Software Engineer, the internship at your organization would provide Mitra Boga with an opportunity to showcase his skills in AI/ML and I am sure he will prove to be an asset to your organization. I endorse Mitra's application without any reservations.

Mrs. K Vani Prasanna, M. Tech., Artificial Intelligence,
Assistant Professor, Department of Computer Science,
School of Technology, GITAM University,
Hyderabad, INDIA
